# Four 'Ways of Life' according to Douglas and Wildavsky

- Fatalists:
  - Nature is a lottery, capricious
  - Outcomes are a function of chance
- Hierarchists:
  - Nature is tolerant if treated with care
  - Outcomes can be managed to be sustainable
- Individualists:
  - Nature is benign
  - Outcomes are a personal responsibility
- Egalitarians:
  - Nature is ephemeral
  - Outcomes require altruism and common effort

# Four Myths of Nature according to Holling

# Framing Climate Change

| Climate Change Frame         | Audience Engaged                       |
|------------------------------|--|
| Scientific uncertainty frame | Those who don't want to change         |
| National security frame      | As above, but now inspired to act      |
| Polar bear frame             | Wildlife lovers                        |
| Money frame                  | Politicians and the private sector     |
| Catastrophe frame            | Those who are worried about the future |
| Justice and equity frame     | Those with strong ethical leanings     |
